

Recycle Your Old Sneakers & Support Cold Springs Family Center!

Have old sneakers lying around?

Don't toss them-donate them! We're teaming up with GotSneakers to collect gently used sneakers. Every pair helps the environment and could even raise money for programs at the Cold Springs Family Center!

Donation Guidelines:

- Accepted: All pairs of used sneakers (no single shoes).
- Condition: All sneakers accepted-damaged or wearable. Only wearable ones (no holes or tears) raise money, but bring them all!

No boots, sandals, or non-sneakers.

Drop-Off Spot:

Buckets are located by the front desk at Cold Springs Family Center.
